Forecast For London & Southeast England
Issued by Met Office Exeter
at 1600 on Saturday 30 Jan 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Patchy rain or snow clearing overnight, but returning later Sunday.

This Evening and Tonight:
Patchy rain, sleet, or snow will die out overnight, with some good clear spells by morning. Windy at first with local gales across southern coasts, but winds easing overnight and becoming frosty by morning inland. Minimum temperature -2 deg C (28 deg F).

Sunday:
After a cold but dry and sunny start, cloud will thicken through the day, with further patchy rain, sleet, or snow spreading northeast later. Maximum temperature 4 deg C (39 deg F).

Outlook for Monday to Wednesday:
Some rain or snow Monday, especially in the west. Tuesday becoming milder with showers, after early rain, preceded by snow in places. Wednesday rather cloudy with a few showers.
